LPSUK DIRECTORY PROJECT: Specific additional policies

(To supplement those from LPSUK's charity wide policies for data retention, privacy and GDPR)

Data deletion plan

After successful publication and distribution to the regions, the petas' electronic directory data held by LPSUK be destroyed. This will be up to a maximum of 3 months (quicker if possible), to allow time for petas to confirm that the project has been successfully completed.

Hardware and Cloud usage: We also confirm that Ravibhai, compliance officer will be using a dedicated laptop and the back-up will be hold on cloud space for LPSUK, for the duration of the project.
